It is contemplated that Grantor may hereafter become indebted to Beneficiary in further sum or sums.

This Deed of Trust shall also secure all renewals and extensions of any of the debt secured by it.

Beneficiary

2.02. "Beneficiary" means the designated payee of the note described in Paragraph 2.01 above, or any subsequent lawful owner or holder of the note or of any debt secured by this Deed of Trust.

2.03. If Grantor performs all of the covenants and agreements contained in this Deed of Trust, and makes all required payments promptly as they become due, then this conveyance shall have no further effect, and shall be released at the expense of Grantor.

ARTICLE III. COVENANTS AND AGREEMENTS OF GRANTOR

Ownership of Property

3.01. Grantor is the lawful fee simple owner of the Property and has the right to convey it. The Property is free from all liens, encumbrances, easements, rights-of-way, restrictions, covenants, reservations, or other conditions, except as set forth in Exhibit ``B", if any, attached to this Deed of Trust and made a part of it for all purposes.

In addition, this conveyance is made and accepted subject to the following matters, to the extent same are in effect at this time: any and all restrictions, covenants, conditions and easements, if any, relating to the hereinabove described property, but only to the extent they are still in effect, shown of record in the hereinabove mentioned county and state, and to all zoning laws, regulations and ordinances of municipal and/or governmental authorities, if any, but only to the extent that they are still in effect relating to the hereinabove property. This conveyance is also subject to all oil, gas and mineral reservations of record, if any, covering the hereinabove described property.

Payment of Taxes

3.02. Grantor shall pay all lawful taxes and assessments on the Property as they become due. [However, Grantor shall have the right to contest any taxes and assessments, and need not comply with this covenant with respect to contested items prior to the time a judgment on those items becomes final].

Maintenance and Repair

3.03. Grantor shall keep the improvements on the Property in good repair and condition, shall not permit or commit any waste on the Property, and shall keep the buildings occupied so as not to impair the insurance carried on them. Grantor shall promptly make all necessary repairs, renewals, and replacements. Grantor will discharge all claims for labor performed and material furnished, and will not allow any mechanic's lien to attach to any part of the Property. Grantor will guard every part of the Property from removal, destruction, and damage, and will not do or permit any act that lessens the value of the Property.

Insurance

3.04. Grantor shall maintain insurance on all improvements now or in the future created on the Property against loss or damage by fire and windstorm, and any other hazard or hazards, as may be reasonably required from time to time by Beneficiary during the term of the debt secured by this Deed of Trust. The insurance shall be for the original amount of the debt secured by this Deed of Trust, or for the full insurable value of the improvements, whichever is less, and shall be in the form and with the insurance company or companies as may be approved by Beneficiary. Grantor shall deliver the insurance policy to Beneficiary with a mortgage indemnity clause as directed by Beneficiary, and shall deliver renewals of the policy to Beneficiary at least thirty (30) days before the expiration of the policy. Any proceeds that Beneficiary may receive under this insurance policy or policies may be applied by Beneficiary, at Beneficiary's discretion, to reduce the debt secured by this Deed of Trust, whether then matured or to mature in the future, and in the manner as Beneficiary may elect, or Beneficiary may permit Grantor to use the proceeds to repair or replace all the improvements damaged or destroyed and covered by the insurance policy or policies.

Payment of Debt

3.05. Grantor will pay all of the debt secured by this Deed of Trust, together with all interest and other charges, when they become due, according to the terms of the note or other instruments evidencing the debt or evidencing any renewal or extension of the debt, or any part of it.

3.06. Grantor shall comply with all valid laws, ordinances, and regulations, whether state, federal, county, or municipal, applicable to the Property and its ownership, use, and operation. However, Grantor shall have the right to contest any of the same, and need not comply with this covenant with respect to these contested items prior to the time a judgment on them becomes final and no longer appealable.

ARTICLE IV. DEFAULT

Events of Default

4.01. As used in this Deed of Trust, the term ``default" means the occurrence of any of the following events:

(a) The failure of Grantor to pay the debt secured by this Deed of Trust or any part of it, as it becomes due according to the terms of the note or notes that evidence it, or when accelerated pursuant to any power to accelerate , and this failure continues for a period of ten days after notice is given to Grantor.

(b) The failure of Grantor punctually and properly to perform any covenant, agreement, or condition contained in this Deed of Trust (other than those related to payment of debt), if this failure continues for 10 days after written notice is given to Grantor.

(c) The making of an assignment for the benefit of any creditor, or the adjudication of Grantor as a bankrupt or insolvent.

(d). The sale or transfer by Grantor of all or any part of the Property or their interest in it.

(e). The occurrence of a breach, default or event of default under this Deed of Trust and any notes and loan agreements evindencing the debt secured by this Deed of Trust, or any other documents of instruments related to the debt secured by this Deed of Trust.

Effect of Default

4.02. On the occurrence of any event of default, Beneficiary may at its option:

(a) Remedy the default by taking any action necessary to do so, including, without limitation, making any payments on principal, interest, penalties, and attorney's fees with respect to any prior lien debt, payment of insurance premiums, payment of taxes and assessments, or any other action that Beneficiary deems necessary to protect the lien created by this Deed of Trust. Any sums so paid shall bear interest from the dates of the payment at the highest legal rate of interest under applicable law, shall be paid by Grantor on demand, and shall become a part of the debt secured by this Deed of Trust and recoverable as such in all respects; or

(b) Declare all sums secured by this Deed of Trust immediately due without demand or notice.

If, after default, the debt is declared due, the Trustee, or Trustee's successor or substitute as provided below, shall enforce this trust by foreclosing the lien, if requested to do so by Beneficiary. In foreclosing the lien, Trustee shall do the following:

(a) Advertise the time, place, and terms of the sale of the Property for 21 days prior to the day of sale by posting written notices on the courthouse door of each county in which the Property is situated.

(b) File these notices in the office of the county clerk of each county in which the Property is situated at least 21 days prior to the proposed sale date.

(c) Send written notice of the time, place, and terms of the sale of the Property by certified mail to each person obligated to pay the debt secured by this Deed of Trust according to the records of Beneficiary at least 21 days preceding the date of the sale at the most recent address as shown by the records of Beneficiary.

(d) Sell the Property at public auction in accordance with the notice at the courthouse door of the county in which the Property is situated (provided when the Property is situated in more than one county, the Property may be sold at the courthouse door of any one of these counties, and the notices shall designate the county where the Property will be sold), on the first Tuesday in any month between the hours of 10:00 a.m. and 4:00 p.m., to the highest bidder for cash, selling all of the Property as an entirety or in such parcels as the Trustee may elect.

(e) Convey title to the Property to the purchaser or purchasers, with general warranty binding Grantor, Grantor's heirs, personal representatives, successors, and assigns.

(f) From the proceeds of the sale, pay in this order:

(i) All the expenses of advertising the sale and making the conveyance, including a commission of five (5%) per cent to the Trustee. This commission shall be due in addition to the attorney's fees provided for in the note.

(ii) To Beneficiary the full amount of principal, interest, attorney's fees, and other charges due and unpaid on the note and all other debt secured hereby.

(iii) The balance of the sales price, if any, to Grantor, Grantor's heirs, personal representatives, successors, and assigns.

The recitals in the conveyance to the purchaser or purchasers shall be full and conclusive evidence of the truth of the matters stated, and all prerequisites to the sale shall be presumed to have been performed. The sale and conveyance shall be conclusive against Grantor, Grantor's heirs, personal representatives, successors, and assigns. Beneficiary may be a purchaser at any such foreclosure sale, and on being the highest bidder, may have the amount for which the Property is sold credited on the debt secured by this Deed of Trust.

Possession of Premises

4.03. In case the lien shall be foreclosed by Trustee's sale or by judicial action, the purchaser at the sale shall receive immediate possession of the Property as an incident to the purchaser's ownership. Grantor agrees that if Grantor or anyone claiming under Grantor shall hold possession of the Property, or any part of it, subsequent to foreclosure, the party or parties holding possession shall be considered as tenants at sufferance of the purchaser at the foreclosure sale.

Remedies

4.04. The rights and remedies expressly conferred by this Article are cumulative of all other rights and remedies conferred by this Deed of Trust, and of those provided by law or in equity. They shall not be deemed to deprive Beneficiary or Trustee of any other legal or equitable rights or remedies, by judicial proceedings or otherwise, appropriate to enforce the conditions, covenants, and terms of this Deed of Trust and of the note. The employment of any remedy, under this Deed of Trust or otherwise, shall not prevent the concurrent or subsequent employment of any other appropriate remedy or remedies.

Assignment of Rents

5.01. Beneficiary is assigned, as further security for the debt under this Deed of Trust, all rents issuing or to issue in the future from the Property. Beneficiary and Beneficiary's agents and representatives are authorized, in the event of default in the payment of any debt secured by this Deed of Trust, to collect these rents, or, if the Property is vacant, to rent the Property and to collect the rents, and to apply the collected rents, less the reasonable cost of collection, to the payment of the debt secured by this Deed of Trust, whether then matured or to mature in the future, and in such manner as Beneficiary may elect. The collection of these rents by Beneficiary shall not constitute a waiver of Beneficiary's right to accelerate the maturity of the debt, or of Beneficiary's right to proceed with the enforcement of this Deed of Trust.

Unsecured Portion of the Debt

5.02. If any portion of the debt under this Deed of Trust cannot be lawfully secured by it, then the first installment and other payments made under this Deed of Trust shall be applied to the discharge of the unsecured portion of the debt, and payments afterwards shall be applied to the discharge of the secured portion of the debt.

Condemnation

5.03. Beneficiary shall be entitled to receive any sums that become payable to Grantor as a result of condemnation proceedings or the threat of such proceedings, or that become payable to Grantor as damages caused by public works or construction on or near the Property. All these sums are hereby assigned, as further security for the debt under this Deed of Trust, to Beneficiary, who may, after deducting all expenses actually incurred, including attorney's fees, release these sums to Grantor, or apply these sums to the reduction of the debt secured by this Deed of Trust, whether then matured or to mature in the future, in such

manner as Beneficiary may elect. Beneficiary shall not, in any event, be liable for the failure either to collect or to exercise diligence in the collection of any of these sums.

Lawful Rates of Interest

5.04. All agreements between Grantor and Beneficiary are expressly limited so that in no event shall the amount paid, or agreed to be paid, to Beneficiary for the use, forbearance, or detention of the money due under the note secured by this Deed of Trust exceed the maximum amount permissible under applicable law. If, from any circumstances whatsoever, fulfillment of any provision of this Deed of Trust, at the time performance of the provision shall be due, shall involve surpassing the limit of validity prescribed by law, then the obligation to be fulfilled shall be reduced to that limit. If, from any circumstances, Beneficiary should ever receive as interest an amount that would exceed the highest lawful rate, the amount that would be excessive interest shall be applied to the reduction of the principal amount owing under the note secured by this Deed of Trust and not to the payment of interest.

ARTICLE VI. MISCELLANEOUS

6.01. At the option of Beneficiary, with or without any reason, a successor or substitute trustee may be appointed by Beneficiary without any formality other than a designation in writing of a successor or substitute trustee, who shall at that time become vested with and succeed to all the powers and duties given to the Trustee named in this Deed of Trust, the same as if the successor or substitute trustee had been named original Trustee. This right to appoint a successor or substitute trustee shall exist as often as and whenever Beneficiary desires. Deed of Trust ("Deed of Trust"):

Dated:	September 8, 2016
Grantor:	TIM MATTHEWS
Trustee:	PHIL L. ADAMS
Lender:	DONALD C. DRAIN
Recorded in:	Clerk's Document No. 201609295 of the Official Public Records of Wise County, Texas
Legal Description:	See Exhibit "A" attached hereto and made a part hereof for all purposes.
Secures:	Promissory Note ("Note") in the original principal amount of $13,500.00, executed by TIM MATTHEWS ("Borrower") and payable to the order of Lender
Foreclosure Sale:	
Date:	Tuesday, June 5, 2018
Time:	The sale of the Property will be held between the hours of 10:00 A.M. and 4:00 P.M. local time; the earliest time at which the Foreclosure Sale will begin is 10:00 A.M. and not later than three hours thereafter.
Place:	At the door of the first floor in the southeast corner of the Wise County Courthouse located at 101 ½ North Trinity
Terms of Sale:	The Foreclosure Sale will be conducted as a public auction and the Property will be sold to the highest bidder for cash, except that DONALD C. DRAIN's bid may be by credit against the indebtedness secured by the lien of the Deed of Trust.

Default has occurred in the payment of the Note and in the performance of the obligations of the Deed of Trust. Because of that default, DONALD C. DRAIN, the owner and holder of the Note, has requested Substitute Trustee to sell the Property.

The Deed of Trust may encumber both real and personal property. Formal notice is hereby given of DONALD C. DRAIN's election to proceed against and sell both the real property and any personal property described in the Deed of Trust in accordance with DONALD C. DRAIN's rights and remedies under the Deed of Trust and section 9.604(a) of the Texas Business and Commerce Code.

Therefore, notice is given that on and at the Date, Time, and Place for the Foreclosure Sale described above, Substitute Trustee will sell the Property in accordance with the Terms of Sale described above, the Deed of Trust, and applicable Texas law.

If DONALD C. DRAIN passes the Foreclosure Sale, notice of the date of any rescheduled foreclosure sale will be reposted and refiled in accordance with the posting and filing requirements of the Deed of Trust and the Texas Property Code.

The Foreclosure Sale will be made expressly subject to any title matters set forth in the Deed of Trust, but prospective bidders are reminded that by law the Foreclosure Sale will necessarily be made subject to all prior matters of record affecting the Property, if any, to the extent that they remain in force and effect and have not been subordinated to the Deed of Trust. For the avoidance of doubt, the Foreclosure Sale will not cover any part of the Property that has been released of public record from the lien and/or security interest of the Deed of Trust by DONALD C. DRAIN. Prospective bidders are strongly urged to examine the applicable property records to determine the nature and extent of such matters, if any.

Pursuant to section 51.009 of the Texas Property Code, the Property will be sold "AS IS," without any expressed or implied warranties, except as to the warranties (if any) provided for under the Deed of Trust. Prospective bidders are advised to conduct an independent investigation of the nature and physical condition of the Property.

Pursuant to section 51.0075(a) of the Texas Property Code, Substitute Trustee reserves the right to set further reasonable conditions for conducting the Foreclosure Sale. Any such further conditions shall be announced before bidding is opened for the first sale of the day held by Substitute Trustee.

Assert and protect your rights as a member of the armed forces of the United States.
