Non-profit septic permits are $10.00.

Effective March 5, 2009, "Alter, Extend, Replace, or Repair" on an existing septic permit is ½ of the current fee.

Re-inspection fees are $100.00.

As of February 3, 1997, minimum lot sizes are 1 acre with public water and 2 acres with private well. If your lot is smaller, bring a warranty deed showing it existed before this date.

As of May 15, 2000, land divided and any tracts are 10 acres or less will be referred for platting. If you have any platting questions, contact our platting department at 940-627-6135. The Wise County Development Rules and Regulations are on the county website.

Permit expires one year from date of payment.

Forms and more information can be found on the county website: www.wisecountytx.gov or call our office at 940-627-9332.
