I certify the above statements are true and correct to the best of my knowledge. Authorization is hereby granted to Wise County to enter upon the above-described private property for the purpose of lot evaluation and inspection of on-site sewage facilities. I understand approval of this application constitutes authorization for construction of the on-site sewage facility and that a permit to operate the facility will be granted following a successful inspection of the installed system which indicates that the system was installed in compliance with Wise County's "Construction Standards for On-Site Sewage Facilities".
