TAX RATE LIMITATION

The Texas Constitution (Article VIII, Section 9) imposes a limit of $0.80 per $100 of assessed valuation for general fund, permanent improvement fund, road and bridge fund, and jury fund purposes, including debt service of bonds, time warrants, tax notes and certificates of obligation issued against such funds. By administrative policy, the Attorney General of Texas will permit allocation of $0.40 of the constitutional $0.80 tax rate for the payment of the debt service requirements on the County's limited tax general obligation indebtedness, as calculated at the time of issuance and based on a 90% collection rate. Limited tax obligations of counties issued pursuant to authority granted under V.T.C.A., Government Code, Section 1301.003, as amended, limits the amount of such debt issued for certain purposes as follows: Courthouse 2% of Assessed Valuation Jail 1⅛% of Assessed Valuation Courthouse and Jail 3⅛% of Assessed Valuation Road and Bridge 1⅛% of Assessed Valuation However, a county may issue courthouse, jail and certain other types of bonds under the authority of Texas Government Code Section 1473.101 and Chapter 292, Texas Local Government Code, without the above limitations.

Farm-to-Market Roads and/or Flood Control : Under Section 256.054, Texas Transportation Code, a county may adopt an additional ad valorem tax not to exceed $0.30 (the "Farm-to-Market and Flood Control Tax") on the $100 assessed valuation, after exemption of homesteads up to $3,000, provided by Article VIII, Section 9 of the Texas Constitution, for the construction and maintenance of farm-to-market and lateral roads or for flood control. This additional tax may be established by the Commissioners Court only upon approval by a majority of participating voters in an election held to approve such additional tax. No allocation is prescribed by statute between debt service and maintenance. Therefore, all or part may be used for either purpose. The voters of the County have not approved a special tax for Farm-to-Market purposes. The voters of the County have not approved a special tax for Flood Control purposes.

Road Maintenance (Special Road and Bridge Tax): Under Section 256.052, Texas Transportation Code, a county may adopt an additional ad valorem tax not to exceed $0.15 (the "Road and Bridge Maintenance Tax") on the $100 assessed valuation of property provided by Article VIII, Section 9, Texas Constitution, for the further maintenance of county roads. This additional tax may be established by the Commissioners Court only upon approval by a majority of participating voters in an election held to approve such additional tax. The additional tax may not be used for debt service.

Road Bonds: Article III, Section 52, Texas Constitution, authorizes the County to levy a separate tax, without legal limit as to rate, to pay debt service on County road bonds issued pursuant to such authority upon approval by a majority of participating voters in an election held to approve the issuance of such bonds. Article III, Section 52 of the Texas Constitution also provides that unlimited tax road bond debt may not exceed 25% of the County's assessed valuation of real estate.

SALES TAX

Optional Sales Tax. Texas Counties have the option of assessing a 1/2 cent sales tax if approved by the voters in a local option election. If the tax is approved, then the County must reduce its property tax rate accordingly.

PENSION FUND LIABILITY

The County provides retirement, disability, and death benefits for all of its full-time employees through a nontraditional defined benefit pension plan in the statewide Texas County and District Retirement System ("TCDRS"). The Board of Trustees of TCDRS is responsible for the administration of the statewide agent multiple-employer public employee retirement system consisting of nontraditional defined benefit pension plans. TCDRS in the aggregate issues a comprehensive annual financial report ("CAFR") on a calendar year basis. The CAFR is available upon written request from the TCDRS Board of Trustees at P.O. Box 2034, Austin, Texas 78768-2034.

The plan provisions are adopted by the governing body of the employer, within the options available in the Texas state statutes governing TCDRS ("TCDRS Act"). Members can retire with eight or more years of service at age 60 and above, with 20 years of service regardless of age, or when the sum of their age and years of service equals 75 or more. Members are vested after 8 years of service but must leave their accumulated contributions in the plan to receive any employer-financed benefit. Members who withdraw their personal contributions in a lump sum are not entitled to any amounts contributed by their employer.

04/11/2024 - Notice of Failure to File Material Event - Financial Obligation Incurrence

"Additionally, the County entered into an undertaking to file notice of the incurrence of a financial obligation. On June 2, 2022, the County delivered its $3,500,000 Wise County, Texas Limited Tax Notes, Series 2022 in a privately placed transaction with BOKF Financial Securities, Inc., as the purchaser. The County did not file notice of the incurrence of this financial obligation. This notice of failure to file and notice of late filing is filed on April 11, 2024."

04/11/2024 - Notice of Failure to File Disclosure (FYE 2021 & 2022)

"The County entered into an undertaking to file certain annual financial information in connection with its Wise County, Texas Lease Revenue Refunding Bonds, Series 2021 (Parker County Junior College District Project). For the County's fiscal years ending in 2021 and 2022, the County filed its annual financial information but inadvertently failed to file a particular table entitled "Coverage - Table 11" table. The County filed the missing tables on April 11, 2024, and this notice of failure to file and notice of late filing is filed on April 11, 2024."

04/10/2024 - Standard & Poor's Underlying: Upgrade on 04/10/2024

"S&P Global Ratings raised its issuer credit rating (ICR) on Wise County, Texas to 'AA+' from 'AA'.

"At the same time, we raised our long-term rating on the county's series 2019 certificates of obligation to 'AA+' from 'AA'."

"The outlook is stable.

"The upgrades reflect the county's continued economic expansion, available reserves that have improved to very strong levels, and adoption of more formalized financial management policies and practices."

04/10/2024 - S&P Rating Report: Underlying Rating Upgrade to AA+ from AA

"S&P Global Ratings raised its issuer credit rating (ICR) on Wise County, Texas to 'AA+' from 'AA'. At the same time, we raised our long-term rating on the county's series 2019 certificates of obligation to 'AA+' from 'AA'."

"The outlook is stable.

"The upgrade reflects the county's continued economic expansion, available reserves that have improved to very strong levels, and adoption of more formalized financial management policies and practices," said S&P Global Ratings credit analyst Calix Sholander."
